OUTDOOR CENTER

Pet Behavior and Damage Responsibility Form

Here at the Craftsbury Outdoor Center, we strive to maintain a safe and relaxing environment for all of our guests. The following rules apply to all dogs while they are on the Center's property.

- Dogs must be leashed at all times when they are in public areas.
- Dog owners must clean up after their pets
- A dog that cannot be left unattended without barking, howling, whining, etc. must be attended at all times or the owner will be asked to arrange for alternative lodgings for the pet. We recommend Claire's Dog Camp in Morrisville. Their number is (802) 888-4094. Check out their website at <http://www.clairedogcamp.com/index.htm>. Consider bringing a bark collar or a dog-sitter if you have any doubts about your pet.
- Pet owners will be billed for any damage caused by their dog while at Craftsbury.

Dogs are prohibited in the following areas:

- on the porch or inside of the Main Office
- inside Cedar Lodge, the Cabins or select Cottages
- on the deck or inside of the Dining Hall
- at the entrance or in the walkway of any buildings
- at the waterfront area
- on our winter ski trails (except for the lake trails) – dogs are welcome on our recreational trails during our summer season (*please remember to clean up after your pet!*)

It's always a good idea to carry your pet's vaccination records with you.

I have read Craftsbury's pet policy above and agree to all of its terms. I understand that if my pet misbehaves I may be asked to remove him or her from the Outdoor Center at my expense and to pay for any damage s/he has caused.

Please return this form at least 2 weeks prior to your arrival
