**CROSS COUNTRY
SKIER**
THE JOURNAL OF NORDIC SKIING

Once again, *Cross Country Skier* magazine and a few of our industry friends are teaming up to head to some of New England's top cross country centers for the 2024 Tour de Trail. At each stop, we will be offering the latest classic and skate skis for demo. Plus, we'll be selling raffle tickets to support NENSA's youth and family programming.
